HEMIS_3815169 Japan, Nagano, Jigokudani Park, Japanese macaques

Hundreds of Japanese macaques reside in the Japanese Alps and the Nagano region, especially in the Jigokudani Nature Park. This Japanese snow monkey is known to enjoy bathing in the hot springs where tourists flock to photograph these animals during their ablutions. Japanese researchers believe that by immersing themselves in these open-air onsen the macaques find a cure for stress. To the monkeys' happiness...
